Twining Project UA 19 ENI FI 01 19

Strengthening the institutional and regulatory capacity of the National Bank of Ukraine to implement EU-Ukraine Association Agreement

TWINNING AS EU INSTRUMENT

Twinning is a European Union instrument for institutional cooperation between public administrations of EU Member States and of beneficiary or partner countries. Twinning projects bring together public sector expertise from EU Member States and beneficiary countries with the aim of achieving concrete mandatory operational results through peer to peer activities.

OVERALL OBJECTIVE OF OUR TWINNING PROJECT

To contribute to the macroeconomic stability of Ukraine through institutional strengthening of the National Bank of Ukraine (NBU), and building a reliable banking and payments infrastructure for economic operators.

The Twinning Project will indirectly aim to support NBU's capacity to actively participate in the EU-Ukraine association process.

PARTNERS INVOLVED IN THE TWINNING PROJECT

National Bank of Ukraine

PROJECT COMPONENTS

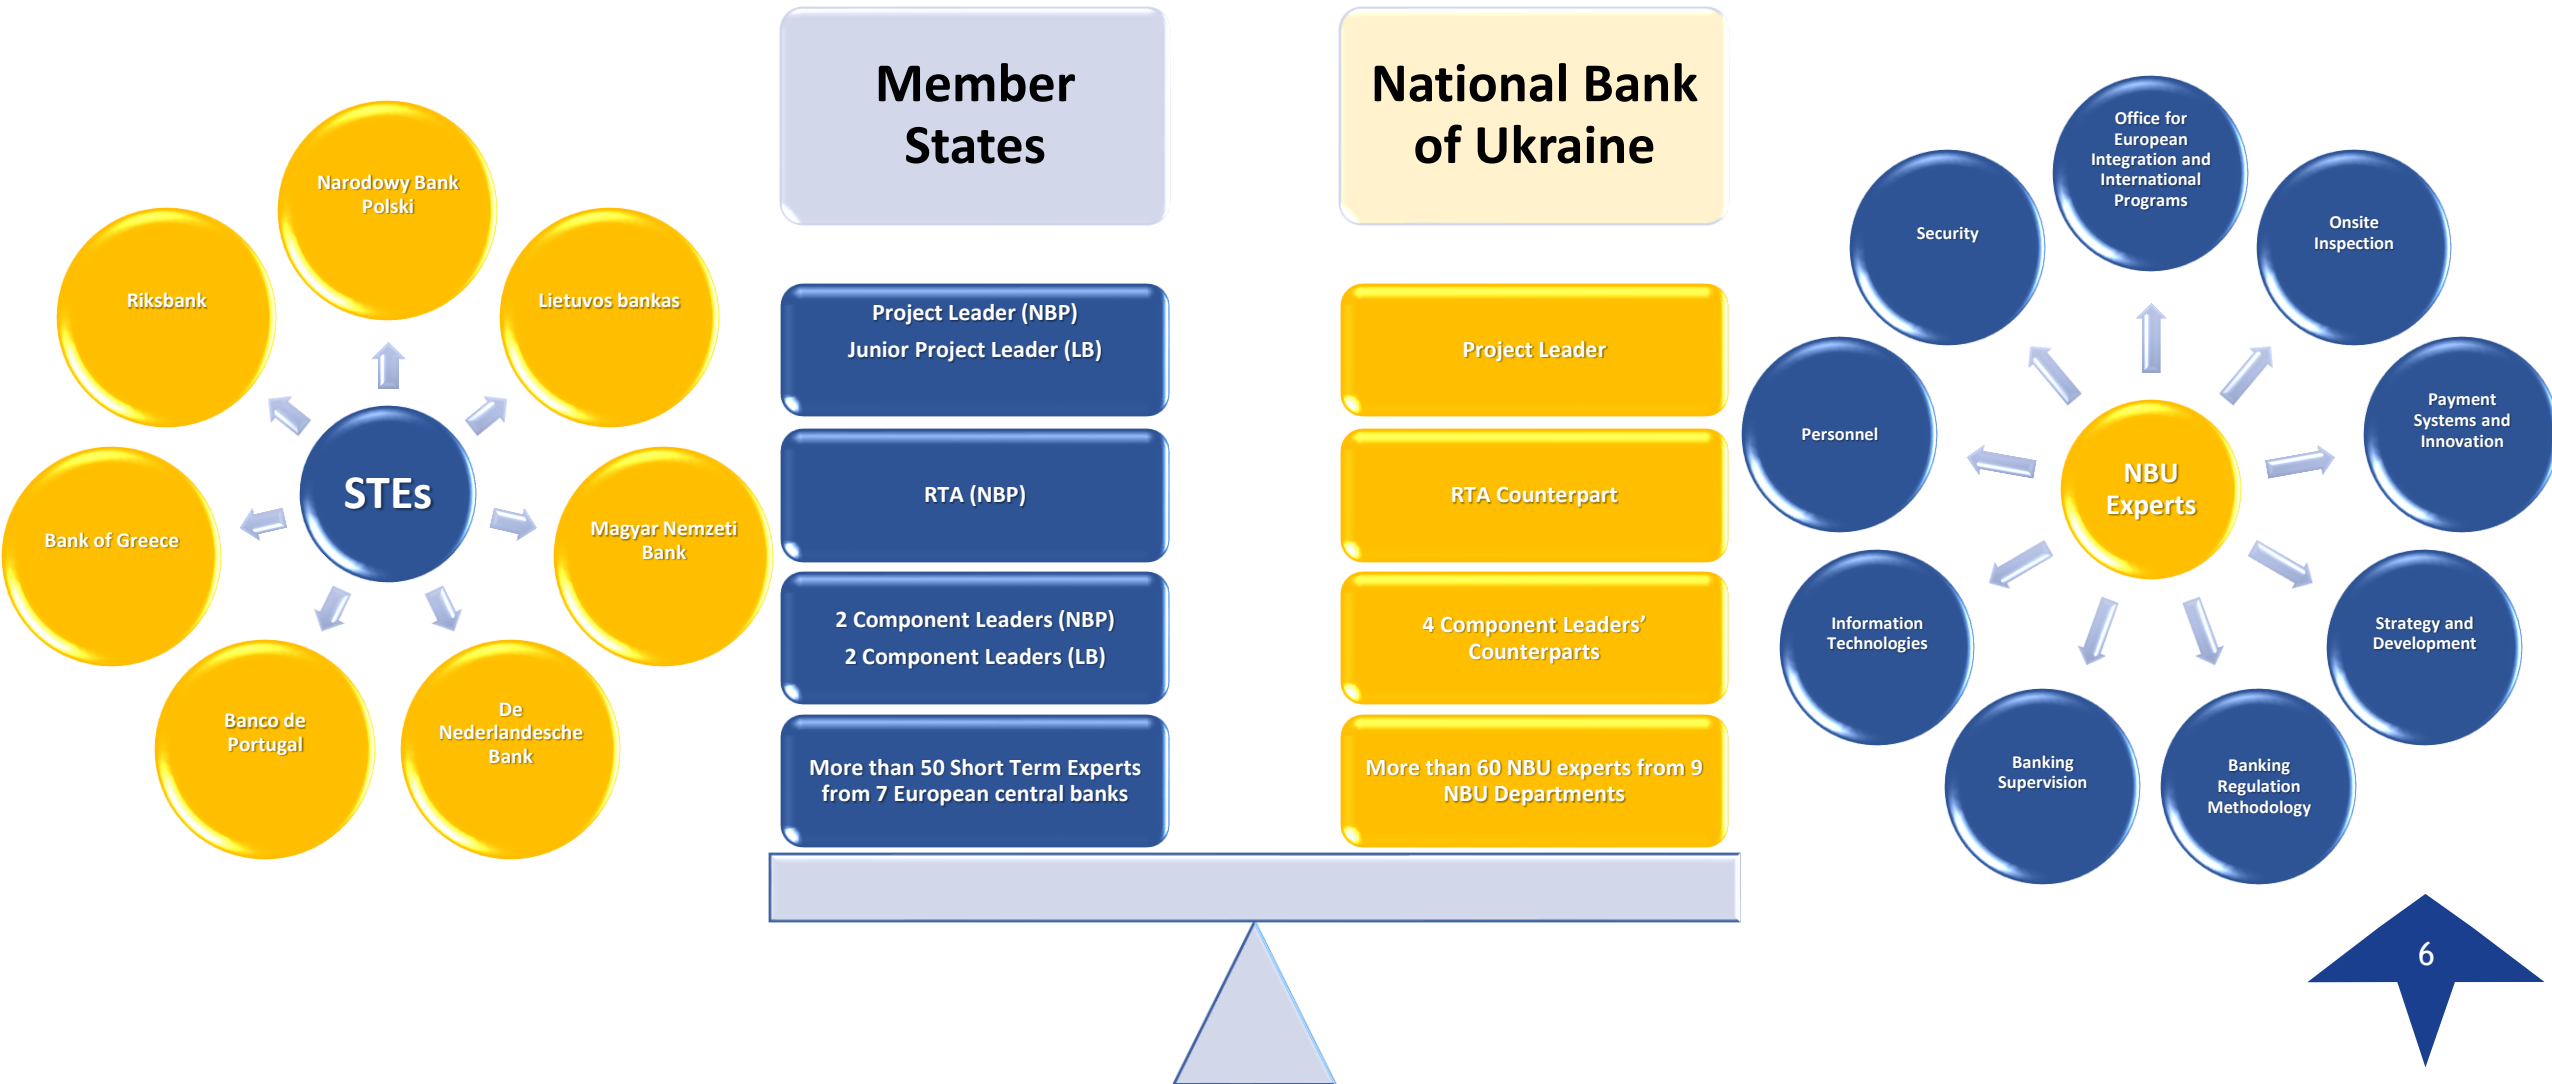

Banking Supervision – further transposition of Basel Core Principles for Effective Banking Supervision
